A Month to Share Kindness:

Kindness matters. This month is a time where we have the opportunity to be reminded that kindness starts with us. Remember that any act of kindness, no matter how small, can make all the difference in the world! Throughout this month, parents can help All Aboard by encouraging children to spread kindness with others, whether on zoom or in-person. Below are a few ways students can join in on spreading the love!

1. Write your teacher a note or a poem about why you like their class
2. Hang up someone's coat if it's fallen off its peg.
3. Hold the door open for your teacher or classmates
4. Offer to play with someone who's all on their own
5. Tell someone a joke to cheer them up if they're feeling sad.
