Date: March 8, 2021

Dear Parents/Guardians,

On March 3, 2021 Governor Doug Ducey's Executive Order stated that schools need to open to in person learning. Our school has already been providing in person learning. What is important to note about this is that parents have a choice. The decision to continue distance learning or to return to in-person instruction is solely yours to make. Please call All Aboard Charter School today and inform them of your decision if you haven't already done so.

For those of you we are already providing in person instruction, you will continue to report as usual. For those of you that are returning to in person learning for the first time this year please report to school on Monday, March 22, 2021, which is after our Spring Break. All teachers will be remaining with the same students.

If you are returning to in person learning school hours are from 8:00am – 2:30pm for Kindergarten students and 8:00am – 3:00pm for 1st – 5th grade students. We have early release every Friday at 12:30p.m. We will provide masks for all students. We have protective shields in every class room at every table or desk. We will be following our mitigation plan. Physical distancing will be maximized to the greatest extent possible.

No back packs or lunch boxes are allowed. We provide free breakfast and lunch for all students. If lunch is brought to school, please make sure everything is in throw away bags.

We want to thank you for your patience, perseverance, and dedication to your student(s) during this global pandemic. There is no way we could have gotten through this difficult time without your support and patience. We are so thankful to you because you have a direct role in educating your child through this pandemic. Our motto is learning today for a better tomorrow. You more than any set of parents rose to this unprecedented challenge. You sacrificed so much, I promise you that we will make this transition successful and that your children will thrive through their educational journey at All Aboard Charter School.

If you are in need of before or after care services. Please reach out to 602-973-1555, the fees are \$6.00 per hour per child.

Sincerely,
Rhonda Newton
Executive Director
