Dear All Aboard Charter School Families,

It is with great sadness that we write this letter. After a great deal of deliberation, we have made the difficult decision to permanently close All Aboard Charter School at the end of this school year, June 2022.

These last few years have been full of unexpected challenges for everyone. Ever changing COVID safety requirements, ongoing testing, and quarantines quickly became a part of daily life. Remote learning also presented unique obstacles. Through it all, we have worked with teachers, staff, and parents to ensure students received the best possible education.

Unfortunately, increased State and Federal regulations and requirements have made it difficult to continue to keep the school open. The burden of paperwork required to keep our small school in operation and compliance has become too overwhelming. We pride ourselves on being a small school community. That has allowed us to establish strong professional and personal relationships amongst all members of our school community.

We are proud to have served our students and families for the last 21 years. We are forever grateful for the community support we have received and have enjoyed getting to know our students and families. We have especially enjoyed watching as students flourish and succeeded during their time at All Aboard Charter School.

We will hold a meeting at school on Monday, April 18, 2022 at 4:00pm. for any parent that would like more information..

In an effort to make the transition to new schools as easy as possible, you may obtain a copy of your child's records after May 20, 2022. Please call 602-433-0500 or email your request to rnewton@allaboardcharter.com or sgarcia@allaboardcharterschool.com

We wish you and your child the best in future educational endeavors.

Sincerely,

Rhonda Newton
Executive Director

P.S. We have attached a list of some schools in our area that you could enroll your child for next school year.
